*The purpose of this document is to give the person you designate (Your "Agent") broad powers to make health care decisions for your animal(s), including power to require, consent to or withdraw any type of care or medical treatment for any medical condition and to admit or discharge your animal(s) from any hospital, clinic or other institution. This document does not impose a duty on your agent to exercise granted powers; but when a power is exercised, your agent will have to use due care to act for your benefit and in accordance with this form. A court can take away the powers of your agent if it finds the agent is not acting properly. You may name co-agents and successor agents under this form, but you may not name a health care provider who may be directly or indirectly involved in rendering health care to your animal(s) under this power. Unless you expressly limit the duration of this power in the manner provided below, until you revoke this power or a court acting on your behalf terminates it, your agent may exercise the powers given herein throughout your lifetime even after you become disabled, incapacitated or incompetent. It is recommended that you keep a copy of this document in your tow vehicle and trailer, along with a copy of the "Emergency Responders – In Case of Emergency" document, which provides additional contact information and details on the care and treatment of the animals. If there is anything about this form that you do not understand, you should consult a lawyer.*
